

1st HUB-Meeting of ERA-Nets and European Instruments related to Biotechnologies and Innovative Technologies

30th January 2018, Dresden/Germany

Saxon State Ministry for Higher Education, Research and the Arts (SMWK)

Wigardstraße 17, 01097 Dresden

Tuesday, 30th January 2018 – Part I

- 08:30 Registration, Welcome coffee
- 09:00 Welcome address by the Free State of Saxony/Saxon State Ministry for Higher Education, Research and the Arts (SMWK)
- 09:10 Horizon 2020 and beyond - New Challenges, Areas and Instruments related to Research in Biotechnologies
European Commission/DG Research and Innovation
- 09:30 New opportunities through collaboration in bioeconomy
JUELICH, [Standing Committee on Agricultural Research \(SCAR\)](#)
- 09:50 [ETP SusChem / IB - European Technology Platform for Sustainable Chemistry/Industrial Biotechnology](#)
SusChem Secretariat, Belgium

Institutional Public-Private Partnerships

- 10:10 [JTI BBI – Joint Technology Initiative Biobased Industries \(BBI\)](#)
Biobased Industries Consortium, Belgium

10:30 – 11:00 Coffee break

Contractual Public-Private Partnerships

- 11:00 [cPPP SPIRE – Sustainable Process Industry through Resource and Energy Efficiency](#)
A.SPIRE, Belgium

Knowledge and Innovation Communities (KICs)

- 11:20 [KIC EIT RawMaterials](#) – Raw Materials: sustainable exploration, extraction, processing, recycling and substitution
TUBAF, Germany

11:40 [KIC EIT Food](#) - supporting a sustainable and circular bio-economy
KIC EIT Food

Public-Public-Partnerships

12:00 [EUREKA – Innovation across borders](#)
EUREKA

Joint Programming Initiatives (JPIs)

12:20 [JPI FACCE](#) – The Joint Programming Initiative on Agriculture, Food Security and Climate Change
JUELICH, Germany

12:40 – 13:45 Lunch break

European Research Area Networks (ERA-NETs) - COFUND

(15' flash presentation – Introduction of topic and outreach/Presentation on activities and calls, exploring synergies with ERA CoBioTech – open discussion)

13:45 [CoBioTech - ERA-Net Cofund on Biotechnologies](#)
JUELICH, Germany

14:00 [ERAcSysMed](#) – Collaboration on systems medicine funding to promote the implementation of systems biology approaches in clinical research and medical practice
JUELICH, Germany

14:15 [ERA-Net E-Rare-3](#) – ERA-Net for Research Programmes on Rare Diseases
ANR, France

14:30 [ERA-Net PerMed](#) – ERA-Net on Personalised Medicine
National Institute of Health Carlos III, Spain

14:45 [ForestValue](#) - Innovating forest-based bioeconomy
FNR, Germany

15:00 – 15:30 Coffee break

15:30 [ERA-Net MarTERA](#) – Maritime and Marine Technologies for a New ERA
JUELICH, Germany

15:45 [PLATFORM of KBBE related ERA-Nets](#)

PLATFORM, The Netherlands

16:00 [ERA-Net Bioenergy](#) (self-sustained)

FNR, Germany

16:15 [EUROTRANSBIO \(ETB-PRO\)](#) – EUROpean programme for TRANS-national R&D&I cooperations of Biotech SMEs (self-sustained)

VLAIO, Belgium

Round table

Goals

- ➔ Presentation of challenges and activities of strategic European Instruments in related area
- ➔ Activities and topics where strategic European Instruments and ERA CoBioTech fit together and where might be differences
- ➔ Planning of common activities by using synergies
- ➔ Exchange of experiences regarding the ERA-Net Cofund scheme in Horizon 2020 and self-sustained ERA-Nets

17:00 closing of the HUB-Meeting - Networking possibility – Learning from each other
